

WHAT DO PARENTS SAY ABOUT US?

We highly recommend this school as we feel our children are well prepared when entering kindergarten.

We couldn't imagine raising our kids without Noah's Ark!

What I love most about Noah's Ark is the intentional discipleship of my children.

They meet every need that I could ever have in a school.

The amount of love that they pour into the kids plus the learning and the fun is just unmatched!

The teachers and staff are top notch!
